

# SOCCER DAY CAMP 2017

## MONDAY, JUNE 12 - THURSDAY, JUNE 15

Building self-confidence in each player and creating a positive experience through positive energy.

The soccer day camp is focused on helping youth players develop their foot skills and knowledge of the game by challenging them in a fun and encouraging environment. A low player-to-coach ratio will help develop technical skills suited for the age and skill level of each player. Tactical learning will be emphasized by using small-sided games and other match situations. Each day will consist of different topics and skill development for game play. Players need to bring: a sack lunch, water bottle, pumped soccer ball, shin guards and cleats.

This camp is hosted by Bluffton University Men's and Women's soccer teams.

---
