

# Bluffton University Women's Soccer

## KITS CLUB 2017-2018

Did you know, a kit is a baby beaver? Our annual Bluffton University KITS Club is accepting members to join our program. KITS Club is a mentorship program for girls in 1<sup>st</sup> through 8<sup>th</sup> grade who are interested in connecting with our women's soccer players. Every young girl will be paired with a player from the women's soccer team and throughout the fall semester will have a chance to participate in planned fun activities. Activities include Game Day help, team dinners, soccer training and community involvement. In the spring semester, the Beavers and KITS will have an opportunity to be pen pals by writing to each other via mail and/or email. KITS Club is a program where relationships are formed and young girls have a great experience connecting with a Beaver on Bluffton women's soccer team!
