## CAFFEINE FOR THE COFFIN

Dotun Jide

Dark oil in rusted engine.  
Adorned -  
like snowflakes on a tarred road.  
Sea salt in the witch's brew.  
The potion gladdens.  
The corpse must live.

**DOTUN JIDE**  
was born in 1998 in southwest Nigeria. He studies at Wilfrid Laurier University in Waterloo, Ontario. He likes music, creative writing, photography and journalism
