¹²⁴ total hours to complete graduation requirements --- Must complete minimum of 30 hours at Bluffton University

Bold face indicates major course requirement. ①Only 1 of these 2 courses needs to be completed at Bluffton, provided the other is taken at NSCC. Ohio CPA examination: A score of 620 on the GMAT or 150 semester hours of college level courses is required.

Note: If Accounting majors double major in Business, Economics, or Marketing, courses required in each major count in both majors. Courses chosen as an elective for one major will not count as an elective in the second major.

Could the Math Elective be met by MTH 213 Calculus I, STA 120 Intro to Statistics, or STA 222 Business Statistics? These courses are listed in the Core Requirements as elective options for Mathematics and Data Analysis. However, the Accounting degree page in the catalog limits the elective options to MTH 105 Quantitative Reasoning and MTH 109 College Algebra.
