Students' mathematics placement is assessed upon admission. Students who are placed in MAT 050 Basic Math are required to complete Basic Math. Placements into MAT 100 or above indicate correct math entry level if desired as an elective.

A minimum of 30 semester hours must be taken at Bluffton University; 24 of the last 30 hours must be completed at Bluffton.

All graduates are expected to complete all graduation requirements, including: participation in institutional assessment activities, a GPA of at least 2.5 overall and within the major, satisfactory

achievement in the departmental senior comprehensive examination, and participation in the baccalaureate and commencement services.

Program requirements are subject to change, though in no case will requirements be increased for students once they are admitted.

Bluffton University welcomes transfer students and is pleased to work with each one individually. To inquire about Bluffton University admissions, call 419-358-3257, email [admissions@bluffton.edu](mailto:admissions@bluffton.edu), or write Office of Admission, Bluffton University, 1 University Drive, Bluffton, Ohio 45817.
