

LINCOLN HALL MEMENTO ORDER FORM

Special-edition watercolor print

To make way for the Austin E. Knowlton Science Center, we will be saying goodbye to our beloved Lincoln Hall in the near future. We know how special Lincoln is to many generations of alumni and to commemorate this iconic building, we have partnered with an artist for a one-of-a-kind memento. The watercolor is hand-painted and has exquisite detail. The prints are beautifully framed and wrapped in a special gift box. This is the perfect gift for Bluffton graduates who spent many memorable years near Lincoln Hall.
