124 total hours to complete graduation requirements (this includes 2 hours of arts and lecture credit)
Bold face print denotes major course requirement
*Alternate year courses
** It is recommended students considering going to graduate school take MAT 135 Calculus 1. MAT 115 Business Calculus (3 hours) may be substituted.
Note: If Economics majors double major in Accounting, Business, or Marketing courses required in each major count in both majors. Courses chosen as an elective for one major will not count as an elective in the second major.
